INFINITY

Walk Through Metal Detector
INF-300INT3(Indoor use)

🟧 **Product highlights**

* 8 zones
* MBSU backup battery
* Stable performance
* Mix distance between two Walk-thru:0.3 meters at low
* sensitivity, 0.5meters at high sensitivity
* Harmless to pregnant woman and heart pacemaker
* Updated DSP technology, automatically calibration
* Two lights(front and back), LCD display

Technical specification	
Electrical current:	AC100V~240V 50/60Hz
Power:	15W
Work environment：	-20℃ to +45℃
Working frequency:	0~50 different channel
Gross Weight：	64kg
Outer frame:	2210mm (h)*820mm (w)*600mm (d)
Inner frame:	2010mm (h) *700mm (w) *600mm (d)

Characteristic

* Self-diagnostic procedures
* Input MBSU battery backup, in time power transfer
* Modular structure easy for after sales service
* Automatically adapt to the working environment
* Auto scan environmental interference at site
* LCD friendly operation interface for user
* Automatically calibration
* Operation way: remote control
* Two or four LED light bars on both door panels: gives alarm corresponding to the height or human body.
* Detect zone: free to change as 8 detect zone
* Sensitivity adjustable from Level 0 to 255
* High: Can detect a clip
* Low: Detect big metal articles such as: knife, gun, and copper, aluminums, zinc (more than 150g), ignoring metal in belt button, shoes.
* Shock proof to avoid false alarm
* Sound and light alarm
* Intelligent traffic and alarm counters that calculate traffic flow and resultant alarms.
* Tamper-Proof: operate program is protected by password.
* Adjustable operating frequencies---eliminate the potential effects from X-ray units, radios and other electrical interference sources.
* (Optional)Connect with computer, camera, turnstile,etc

Compliance	
International	●ISO9001 ●ISO14001 ●HSMS18001 ●CE
National (China)	Certificate from Ministry of Public Security Safety and Police Electronic Products Quality Inspection Center In accordance with: EN60950, WN50081-1, EN50082-1 Electric safety: EN60950 Anti-interference standard: EN50082-1
